

# **REGISTERING FOR A SWIM MEET**

## ***Instructions on how to register for a meet with Aqua-Darts***

Step 1: Go to [aquadartsga.com](http://aquadartsga.com) and click on MEET INFORMATION.

Step 2: Find the swim meet that you are interested in registering for on the list.

Step 3: Click where it says “click here for more information”. A .pdf file will open up with the information for the swim meet.

Step 4: There are two things that you are going to want to find on the meet information document.

- 1.) Cost of entry (both the meet surcharge and how much each event costs individually) usually found under “entry fees”.
- 2.) How many events are allowed to be swum each day (usually found under entries)

Some other areas of note within the document include:

- 1.) Meet Format AND Format which tells you any special procedures that are going to be done, this usually only pertains to older swimmers and longer distance events, but it’s still good to check.
  - For those special events (such as deck seeding) there is usually a time in which you must “check in” by. If this is the case, you’ll find this under “Check-In”

Step 5: Find the listing of events within the document and choose the events that you wish to swim. If you are interested in swimming a relay, please indicate interest, but the coach will choose the order. Each relay requires a certain number of individuals, so if we get an odd amount of requests, some may not be able to swim the relay (you won’t be charged for the event if you don’t swim in it).

Step 6: Fill out the on-line meet entry form which is also found on the website under Meet Information. It is the link at the very top of the page, and click submit. Fill out a check to Aqua-Darts for the cost of your participation in the meet.

If you have any questions, please contact me at [aquadartsga.com](http://aquadartsga.com)
